## **ABOUT US**

MooMba is the name of a carnival that's held annually in Melbourne since 1955. One of its distinctive features is a procession of floats etc. through the streets of the city. The term is popularly regarded as being an Aboriginal word meaning *'let's get together and have fun'*.

Hosting two gigantic palapas on the white sand beach, overlooking the Caribbean Sea, one contains the laid back beach bar featuring a myriad of tropical libations, call drinks, beer and wine, while the other invites you into the open-air seaside restaurant offering an array of tempting choices for breakfast, lunch or dinner offering no bad seat in the house.

We've created a wonderful, tropical, casual place to enjoy entertainment on the beautiful white sand beach of Aruba. Here you will find great food and spirits all in a unique environment and we invite you to experience our hospitality.

We offer a variety of entertainment and activities for your enjoyment throughout the month. Our facilities conveniently contain restrooms & showers only a few steps away from your lounge chair.

Take a look at our restaurant menu and enjoy your breakfast, lunch or dinner at a table on the beach or under our giant palapa while still enjoying the same fantastic atmosphere of the sun and sea; after all, you are in paradise!

MooMba Beach can host your special event, whether it's a corporate party, a beach party with friends and family or a seaside wedding, ask us about all our catering options tailored just for your exceptional celebration. We will provide all the props necessary for an extraordinary event from decorations, to food, to live music and/or games for your guests' entertainment.

We are a short walk along the beach from the high-rise hotels, located between the Holiday Inn and Marriott's Surf Club. Happy hour is from 6pm until 7pm each day. Our restaurant opens @ 8am and closes @ 11pm, the bar is open from 10 am until.....late, 7 days a week.
